

Green Meeting and organizational information for the Annual General Meeting

Simultaneous interpretation:

The Annual General Meeting will contain English contributions; English contributions will be translated into German. Conversely, German parts of the Annual General Meeting will also be translated into English. We will provide participants with headphones on site for these translations. With these, it is possible to follow the Annual General Meeting through a simultaneous translation in English/German.

Our on-site team will be glad to answer any technical questions you may have.

If you follow the Annual General Meeting via livestream, you can also choose between German and English.

Green Meeting:

The 2024 Annual General Meeting will be organized in accordance with the criteria of the Austrian Ecolabel for Green Meetings and Green Events (Guideline ZU 62).

During the planning and implementation of the event, we take numerous measures to comply with the standards of the Austrian Ecolabel for Green Meetings. The most important measures are as follows:

- We kindly ask you to use environmentally friendly means of transportation.
- The event will be organized in an environmentally friendly way (energy and waste management, procurement, materials).
- The catering provided includes mainly local and environmentally friendly products and attention is paid to organic quality.
- No plastic bottles or disposable capsules are used.
- Printing is avoided as far as possible.
- We do not use decorations or flower arrangements.

We are pleased if you support our efforts and use the following public transportation to reach the venue.

Venue and travel:

Telekom Austria AG
Lassallestraße 9
1020 Vienna

- Metro: U1 (Vorgartenstraße), about 100 meters from the main entrance
- Bus: 11A and 11B (Vorgartenstraße), 82A (Harkortstraße)
- Train: S1, S2, S3, S4, S7, R1, R2, REX1, REX2, REX3, REX7, REX9 (Praterstern)

Please use one of the options below to plan your journey:

[Information on environmentally friendly travel on Google Maps](#)

www.wienerlinien.at

If you decide to arrive by bike, there are sufficient parking spaces directly in front of the building.

Barrier-free accessibility:

We will be glad to assist you with barrier-free participation.

The event venue and the way from the nearest metro station (Vorgartenstraße) to the A1 headquarters are both barrier-free and accessible via a paved road. Barrier-free toilets are also available on the premises.

Please contact us at investor.relations@A1.group if you require further information.

Waste avoidance measures:

We ask you to separate and avoid waste during the event. There is a system for separating and collecting waste within the venue, particularly in the visitor area (A1 Aula), and we ask you to use this.
