## Information about the dividend for the financial year 2023

A dividend payment for the fiscal year 2023 as a tax-exempt repayment of capital (i.e. without deduction of capital gains tax, but with simultaneous reduction of the tax acquisition costs) is no longer possible in 2024 compared to previous years.

The dividend payment, minus the statutory capital gains tax of 27.5%, will be credited to the depositary institutions on July 4, 2024 (dividend payment date).
